

CMAX[®] WPC Brochure

Build your world with our materials

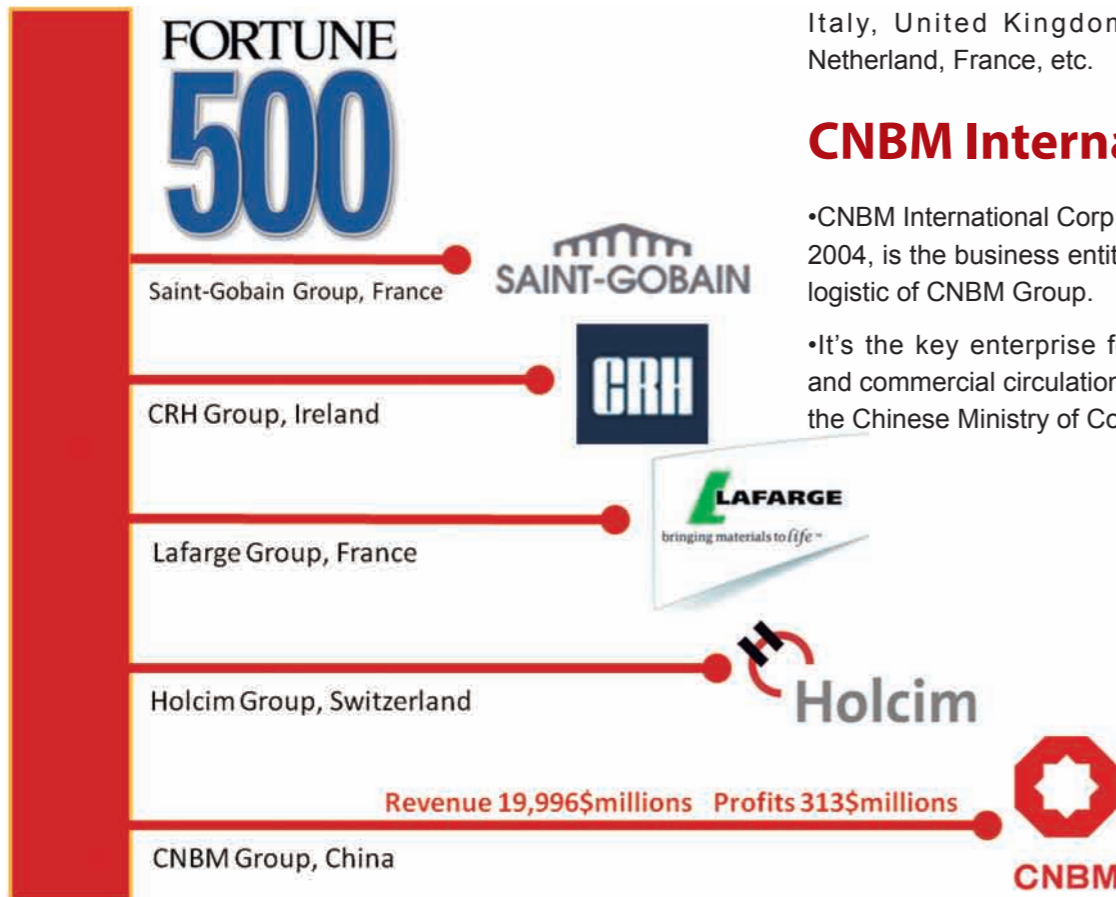

CNBM Group

China National Building Material Group Corporation (CNBM), is the largest building materials and equipment group in China. It consists of four business platforms, i.e. industry, technology, complete set of equipment, and trading & logistics.

- Established in 1984 with approval from the State Council
- A Central Enterprise under direct supervision of SASAC in 2003
- Over 100,000 employees
- 20 companies under direct management
- Among which 6 were listed companies, including 2 overseas listed.
- CNBM owns logistics parks and warehouses all over the world, including UAE, USA, Russia, India, Indonesia, Italy, United Kingdom, Germany, Netherland, France, etc.

CNBM International

- CNBM International Corp, established in 2004, is the business entity for trade and logistic of CNBM Group.
- It's the key enterprise for importation and commercial circulation, supported by the Chinese Ministry of Commerce.

WHY CMAX

When you choose CNBM, you get more than well-engineered products. You also get CNBM's proven reliability, outstanding customer service and the assurance of our 10-year limited warranty. A global leader in building materials, CNBM powers more homes and businesses than any other building material manufacturer worldwide. If you need a high level of customer service, then we are the supplier for you. We respond with services that make your job easier. Like an ordering system that safeguards against mistakes and ensures that you have sign-offs every step of the way.

CMAX design provide full range of professional service, such as:

- Standing at the point of customer needs
- Product BDG estimation
- Product schedule planning
- Material proposal
- Product design&construction work
- Products installation information
- After-sales service support

No surprise, we work hard to gain your trust and exceed your expectations. Quality is lifetime, creation is spirit, **CMAX** products pursus the perfect of every details.

Marketing Networks

CNBM International Corporation has established good business relationship with the customers in over 120 countries and regions all over the world. Currently we've had 12 oversea branch companies, and this growing number guarantee you with a strong local support!
